Proving that it never hurts to ask, [Maggie's Functional Organics'](#) new [Baby Rib Tee Dress](#) was coaxed into existence after a customer asked the company if it could create a basic, affordable dress for a day at the beach or a night on the town.

At \$28, the [100 percent organic cotton](#) short-sleeve, body-skimming number certainly fits the bill, offering a blank canvas for accessorizing with brilliantly patterned scarves or [dramatic pieces of jewelry](#), so you can make it wholly your own. Available in black, light blue, and lilac.
